Basin Management Plans

2009-2015 - information on availability by country !

By clicking on the map below you can find out more about the **River Basin Management Plans available in each River Basin District** , as well as **the status of consultations which are still ongoing in the different EU Member States !** You will find direct links to page where you can download the plans, as well as information on the timing of consultations, links to consultation websites as well as links to the draft River Basin Management Plans and other key documents ! Not all Member States have however complied with the timetable - the Member States in red below have not yet started consultations.

The deadline for publishing River Basin management Plans (22.12.2009) and the deadline for reporting these plans to the Commission (22.3.2010) have expired ! The Commission services are currently assessing the status of the reports received.

EU and EEA countries

Select a country by clicking on the map (Updated 23/08/2012).

GREEN - River Basin Management Plans adopted!

YELLOW - consultations finalised, but awaiting adoption.

RED - consultation have not started or ongoing.

** Norway is implementing the Water Framework Directive as part of the European Economic Area Agreement, with specific timetable agreed.*

The Commission's online library [CIRCA](#) also contains a collection of key documents and links to the reported River basin management plans - along with other important information from the process of implementing the Water Framework Directive so far.
